

BERTAZZONI DESIGN SERIES

30" INDUCTION COOKTOP P30 4 I ME

This Bertazzoni touch control induction cooktop has a total output level of 7,200 W providing the fastest and most energy efficient way of cooking. Thanks to the booster function, the full energy becomes available instantaneously and is delivered directly to the cookware, thus eliminating inconvenient heat-up time. This Bertazzoni Design Series cooktop features four individually controlled induction heating zones and a bevelled black glass ceramic main top.

TOUCH CONTROL

The touch control interface provides the utmost in cooking flexibility.

GLASS CERAMIC TOP

The bevelled black glass ceramic is smart, contemporary and easy to clean.

TO COOK BEAUTIFULLY
