

ASPIRE SERIES

Available in 30" and 36" widths and only 10" tall, the Cervinia is a streamlined version of the full-size Calabria model and comes unbranded for easy coordination with other appliances. Cervinia features professional styling, seamless welded corner craftsmanship, a powerful 600 CFM blower with professional stainless steel baffle filters, halogen lighting, plus stainless rotating knob controls for convenience and safety. Cervinia is sure to deliver easy maintenance, higher efficiency and a cleaner kitchen.

Cervinia is designed for standard ducted ventilation only.

Consumable parts are sold in units of one (1). Order accordingly.

Elica Heat Guard: A technology that protects the hood and cabinetry from excessive heat, by sensing extreme temperatures and automatically adjusting blower speeds accordingly.

Elica CRS: CFM Reduction System (CRS), is an exclusive feature to Elica hoods, which enables the installer to reduce the maximum blower CFM, to meet local code requirements.
