ALLURE™ 50

LINEAR ELECTRIC FIREPLACE

For more information or to place an order call 1-800-461-5581 or visit napoleonfireplaces.com

Allure™ 50 Linear Electric Fireplace

Napoleon's Allure™ 50 is portable; so it can transform any room you choose and even be taken with you when you move. It's great for apartments, condos, or houses and there is no maintenance required. That means no gas fitters, or specialists needed for moving or installation. Just hang it and plug it in. This fireplace can hang anywhere, like the piece of art that it is, high so it is out of reach of children, or lower to set the scene like a masonry fireplace.

This electric fireplace is highly efficient, heating rooms up to 400 square feet, allowing you to save money on your heating bill by heating only the space you are in with the romantic flickering glow of a fireplace. Want the ambiance of a fire, but it's the middle of summer? No problem! The Allure™ 50 heater can be turned on and off with the included remote or touch panel controls, providing mood without the heat

Product Features

- 5,000 BTU's and 1,500 Watts
- Simply plugs into a 120V wall outlet or can be hard wired
- Features front vents within the sleek design
- Can be recessed into the wall for a flush appearance or easily hang on the wall with a built-in bracket
- Ultra slim design, 5" depth makes it one of the slimmest wall mounts in the industry
- Paintable cord cover included (covers cord and can be painted to blend in with existing décor)
- Crystal clear cube ember bed accents the flame
- Feature the option of both blue or orange flame, or a combination of both
- Convenient remote control (controls flame intensity, flame colour option, blower, heat output and timer)
- High intensity LED lights provide day or night intensity and require no servicing
- Easy access manual on/off switch
- Easy installation with a built-in mounting bracket... simply hang, plug and play
- Suitable for any room including bedrooms, bed sitting rooms and mobile homes
- Can be fully recessed into the wall
- On screen controls dim after 10 seconds disappearing completely off screen
- High intensity LED lights

Allure™ 50 shown with combined orange and blue flame
