Features & Benefits

Performance

For a more enjoyable cooking experience, this DCS vent hood successfully eliminates unwanted grease, smoke and odors instantly with four fan speeds up to a powerful 1200 CFM.

Quality

The high quality finish, premium grade stainless steel and robust product design combine to deliver a well built and effective wall hood, to match your pro-style kitchen.

Efficient Filter System

Wall mount hoods use stainless steel baffle filters to efficiently capture grease.

Easy to Clean

The high quality stainless steel baffle filters are easy to remove and dishwasher safe.

Effective Lighting

Two-level halogen lighting effectively illuminates the cooking surface. Wall mount hoods are designed for easy installation of the optional infrared warming light accessory.
