

Stainless Steel Wine Bucket

Slot system accessory holds ice and chilled wine or champagne on the side of your freestanding grill.

Product Features

- Conveniently clips to the side of your Kalamazoo freestanding grill
- Fill with ice to keep wine, champagne, beer or other beverages chilled
- Fully-welded stainless steel construction keeps melting ice inside the bucket and not dripping on your patio
- Can also be mounted inside the doors of 24-inch and 35-inch cabinets
- Not compatible with built-in grills
