

COMFORT SERIES

ASTI 28

Asti is designed for discreet mounting inside cabinetry, fits perfectly into 12" deep cabinetry and is ideal for kitchens where space is limited or the range hood needs to be out of sight.

Asti comes equipped with a powerful 400 CFM blower that can handle most cooking needs.

Convenient Stainless steel look, multiple backlight color touch controls illuminate in elegant white, green, blue or red when operating the 3 speed blower and Dual LED lighting. Multiple clicking sound options are also available.

While dishwasher safe anodized aluminum mesh filters offer easy maintenance. Asti is designed for standard ducted or recirculating installation.

PLUS FEATURES

3X LAYER GREASE FILTER - Elica aluminum mesh filters are a step above competition, featuring triple layered, anodized aluminum that is woven into a highly dense mesh. The thick mesh captures more grease, anodization helps resist staining and provides durability to repeated cleanings in the dishwasher.

LED LIGHT - LED lighting is undoubtedly the smartest solution in terms of energy saving. Expected life is over 20,000 hours, and should last the full life of the hood.

CFM REDUCTION - CFM Reduction System (CRS), is an exclusive feature to Elica hoods, which enables the user to reduce the maximum blower CFM, to meet local code requirements.

HVI Certified Ratings	High Speed	Working Speed	Duct Size
CFM	350	100	6" (Vertical)
Sones	8	0.5	6" (Vertical)
