

# SCFF51OS

34" x 23.63" x 23.5" (H x W x D)

Frost-free outdoor all-freezer for built-in or freestanding use with black cabinet, stainless steel door, digital thermostat, LED lighting, and lock

**Highlights:**

- Weatherproof construction for use in the outdoors
- True frost-free operation saves you maintenance by preventing icy buildup
- Flexible design allows built-in or freestanding use in 24" wide spaces

**Product Features:**

|                               |                                                                                                          |
|-------------------------------|----------------------------------------------------------------------------------------------------------|
| U.L. approved for outdoor use | Weatherproof design rated safe for outdoor operation                                                     |
| Frost-free operation          | No-frost convenience eliminates the need to manually defrost the unit                                    |
| Built-in capable              | Make the best use of space by installing your freezer under the counter and flush with other cabinets    |
| Fully finished cabinet        | Allows the freezer to be used as a freestanding model                                                    |
| Digital thermostat            | Electronic controls offer easy and intuitive temperature management                                      |
| Recessed LED light            | Elegant lighting with an on/off switch located on the control panel                                      |
| Reversible door               | User reversible door swing for added placement flexibility                                               |
| Adjustable shelves            | Rearrange your freezer space to accommodate all shapes and sizes or remove shelves for a simple clean-up |
| Factory installed lock        | Keyed lock for a secure interior                                                                         |
