GE® 17.9 Cu. Ft. Garage Ready Convertible Upright Freezer

Features & Benefits

Garage Ready - Tested to perform in environments from 0°F to 110°F, this freezer delivers consistent cooling and reliable performance in spaces with fluctuating temperatures, like garages or basements.

Extra-Large Capacity - Enjoy 17.9 cu. ft. of extra-large freezer capacity, perfect for bulk grocery runs, weekend meal prep, and frozen family favorites. Go ahead- stock up. We've got the space.

Convertible Freezer or Fridge - Easily convert your upright freezer to a refrigerator with adjustable temperature settings, so you get extra-large capacity for long-term frozen storage, or refrigerator space for everyday essentials.

Slide-Out Drawer - A convenient slide-out freezer drawer makes it easy to organize and access your most important items.

LED Lighting - Quickly find your items thanks to flush-mounted LED lighting, which sheds crisp, even light throughout the interior.

Adjustable Glass Shelves - Store more of your favorite items and enjoy organizational flexibility at each level with adjustable, full-width glass shelves

Electronic External Controls - External electronic controls make it simple to adjust the temperature to your preference or switch to refrigerator mode.

Adjustable Door Bins - This freezer comes equipped with 5 spacious door bins, with 4 of the bins easily adjusting up or down so you can organize your items the way you want.

Door Open Alarm - A built-in audible door open alarm alerts you if the door is accidentally left open, so you can close it before anything thaws.

Audible Temperature Alarm - A built-in audible temperature alarm alerts you to potential temperature fluctuations, ensuring your frozen goods stay safe.

Frost-Free - This frost free upright freezer automatically removes ice build-up, saving you the time and effort of a manual defrost

Power Outage Promise - In the event of a power outage, your food stays frozen for 48 hours*, thanks to our Power Outage Promise, giving you peace of mind that everything you've stocked up on stays frozen.

*Temperature 32 degrees F or lower
