Salice 36" Stainless
Salice 42" Stainless

Special features

halogen lamps

multi-function electronic controls
with LCD display

stainless steel micro hole filters

Salice conveys understated elegance with a gently tapered canopy that measures only 5" tall, which opens up the kitchen for entertainment and conversation. Available in 36" and 42" widths, Salice features a powerful 600 CFM blower, halogen lighting with 2 light intensities, stainless steel microhole filters and multi-function electronic controls with LCD display that deliver convenience and safety.

Designed for ducted installation, Salice can also be installed as a recirculating system using the Recirculating Kit, available as an accessory.

Replacement Light Bulb (1)

CODE: 2006BH

Consumable parts are sold in units of one (1). Order accordingly.

SPECIAL FEATURES

Elica CRS:

CFM Reduction System (CRS), is an exclusive feature to Elica hoods, which enables the installer to reduce the maximum blower CFM, to meet local code requirements.

Elica Heat Guard:

A safety feature that protects the hood and cabinetry from excessive heat, by sensing extreme temperatures (>158 degrees) and will automatically adjust the blower speed to HIGH. Blower speed will automatically adjust back once temperatures drop to a safe level.
